

Wolverines Down Top Ranking Grid Team In Nevada

Wolverines Face Davis In Games On Field Here On Saturday

The state of Nevada's longest high school football winning streak came to an end up in Humboldt County last Friday night when the local Tahoe Truckee Wolverines upset the highly touted Buckaroos 21-7. The last time the Winnemuccans were beaten dates back to midseason 1957. The Buckaroos rolled up a fantastic three hundred eight-one points last season while holding their opponents to seven and had scored one hundred nineteen points to thirteen in racking up lopsided wins over Fallon, Elko and Douglas so far this campaign.

Coach Cal Farley's Wolverines apparently hadn't read the Buckaroos' clippings however as they fought them tooth and nail Friday night and finally took command completely in the late stages of the game. Following the opening kick-off, when the Buckaroos found an apparent weakness off the tackles and drove fifty-four yards in ten plays for the initial score, the Wolverines adjusted their defense slightly and shut the door the rest of the way, allowing not one first down and holding the Humboldt County gridders to a meager fifteen yards net gained in the remainder of the contest.

After Jack Echave, Winnemucca's All-State halfback, had put the Buckaroos ahead 7-0 on a short line plunge for the score and a successful conversion, the Wolverines completely dominated play for the balance of the evening. Following an exchange of punts early

Deputies Report Busy Month Here

Sheriff's deputies in Truckee last month answered 91 calls, made 47 arrests, five of them for felony counts and 42 for misdemeanors.

This is according to the September report submitted this week by Chief Deputy Roy Waters to Sheriff Wayne Brown.

The felony complaints listed one each for assault, grand theft, escape, rape and burglary.

There were no juvenile complaints nor arrests.

The investigations included 11 street disturbances, five petty thefts, three thefts from autos, six bar disturbances, two malicious mischief and two attempts to enter illegally.

The officers were called to assist in locating two lost hunters and to assist with loose stock.

DWIGHT ROBERTS IS ADVANCED IN BANK

Promotion of Dwight L. Roberts to assistant cashier at Bank of America's Truckee branch was announced this week by Manager Lee H. Apple.

For the past year and a half Roberts has been a junior lending officer at the branch, and will continue his general lending responsibilities, Apple said.

A native of Auburn and a World War II navy veteran, Roberts joined the bank as a teller at the Fresno main office in 1952. He advanced to general ledger bookkeeper in 1953, and two years later was assigned to the loan department at the head office in San Francisco. In 1957 he returned to branch service in the Fresno area, moving up to junior officer status when he came to Truckee last year.

GAIENNIES ARE NOW GREAT GRANDPARENTS

Mr. and Mrs. Frank Gaiennie learned the thrilling news that they became great grandparents October 2, on the arrival of a daughter for Mr. and Mrs. Ray Gutierrez of El Cerrito.

The little girl who admitted to a first weight of 6 pounds, 7 ounces has been named Deborah Kay. Her mother will be remembered here as Mavon Sykes, daughter of Mr. and Mrs. R. W. Sykes, formerly of Truckee.

The Gaiennies plan to visit the newcomer later this month.

INCORPORATION IS SUBJECT OF TALK

Robert Fugazi, local attorney was the guest speaker at the Rotary Club meeting held Monday evening in Donner Lake Lodge, his subject being The Advantages and Disadvantages of Incorporation for Truckee.

Joe Mattos and Jim Sherritt celebrated their birth dates during the evening and Johnny Richards was credited with baking the traditional cakes for the celebrants. Joe Miller was a guest of the meet.

Card Club Hostess—

Mrs. Lauren Russell was hostess to members of her card club on Monday evening.

Donner Firemen Plan To Complete Station On Sunday

By VIRGINIA O'BEAR

The Donner Lake Volunteer Fire Department will have a busy day this coming Sunday when all of the firemen get together to erect the fire house. The Howe brothers, Bob, Al and Bud have donated their services for the day along with John Thompson, all busy carpenters in the Donner Lake area.

The Ladies Auxiliary will be on hand to supply food and coffee to all of the workers expected to turn out for the day. All members of the auxiliary who can bring food or help serve, please contact Mrs. Rex Reid.

The firemen worked the past weekend getting in the foundation and the brick work. They expect to get the structure up, framed in and possibly roofed all in one day with the many volunteers who are expected to turn out for this worthwhile event. Anyone from Truckee, Gateway, Meadow Park or any neighboring areas who would like to help and join in with the fun will be most welcome.

Others have made it possible by helping to obtain materials and the lumber. We are grateful to Clements Rock Products, Denney Logging, Truckee-Tahoe Lumber Company, and Builders Service Center. Without the donation of RR. L. (Shorty) Harris with his equipment in clearing the lot, we would still be clearing the lot the hard way. All in all, it adds up to the fact that if you want something that is worthwhile for your community, you have to work together.

If you want to join in, work starts Sunday morning at 10 o'clock on October 11. Meeting place is at Donner Lake Trading Post, please come.

JOURNALISTS WILL ATTEND CONFERENCE

Three student journalists from Tahoe-Truckee High School will journey to Sacramento City College on October 10 for the fall conference of the Central Valley Scholastic Journalism Association. They are: Margaret Wood, Craig Beck and Gary Henry.

The group will be accompanied by their advisor, Mrs. E. Stewart. Ed Davis, publisher of the Willows Daily Journal, will tell the young journalists about the opportunities in the small daily field and discuss the need for enlightened editorial management.

Then the delegates will go to sections on feature writing, editorial writing, news coverage, photography, and yearbook organization.

Lunch will be served in the college cafeteria at noon. Afternoon meetings will be concerned with advertising, sports writing, creative writing, headline writing, newspaper makeup, and yearbook layout.

At the afternoon closing session, three high schools will be awarded trophies by the Taylor Publishing Company and Balfour Stationers for outstanding yearbooks. Judges will be members of the Sacramento Junior Advertising Club, headed by Sherwood DeWein.

GLADYS OUAM WEDS LAWRENCE JAMES

A wedding ceremony performed in a Protestant church at Chico on October 2 and attended by close friends and relatives, united Mrs. Gladys Ouam and Lawrence James both of Chico.

Mr. and Mrs. Jerry Quam of Truckee, Mrs. James' son and daughter in law were among the guests.

The newlyweds left for Reno following the rites and will later be at home to their friends. Mrs. James is well known where she resided for many years.

LANDERS NOW LIVE IN NEW HOME HERE

Mr. and Mrs. Emery Lander are getting settled in their new home known as the Talbot house, located across the street from Tahoe Forest Hospital at Gateway Park.

Mr. and Mrs. Dale Stricklin have bought Emery's property at Donner Lake, Lander reported.

Haug Visits—

Walter Haug, former manager of Sugar Bowl, now operating San Simeon Lodge on the coast, was a visitor in the area last week and reported a thriving business in their new location.

Hunter Shot Near Hobart In Single Accident Of Year

Relative Mistakes Hat For Deer, Wounds Man In Three Places

Despite the fact that thousands of hunters flocked to this area during the first week or two of the deer season, only one major shooting accident was reported.

Herbert Clinton Smith, 26, a resident of Sacramento and a guard at Folsom prison, was seriously wounded near Hobart Mills Monday evening at 5 o'clock when he was shot through both arms and one thigh.

Deputy Sheriff Roy Waters, who made the investigation, said Smith's half-brother, Thomas LeRoy Smuin, 17, admitted the shooting. He told Waters, the officer said, that he and Smith separated while hunting and selected promising stations to await arrival of a buck.

A short time later, Smith told the officer, he saw what appeared to be a deer in the brush 100 yards distant. He watched the movement for some time and then fired. The victim was wearing a brown cap and green jacket and it was this combination, Smuin said, that fooled him.

Smith's left arm was shattered by the bullet which also entered his right arm and thigh. He was taken to the Tahoe Forest Hospital for treatment.

Truck Runs Wild; No One Is Injured

COLFAX — A logging truck ran wild when its brakes failed near Emigrant Gap on Highway 40 on Tuesday.

It raced seven miles down the long grade at 100 miles an hour and knocked a pickup truck off the highway. The highway patrol said the driver, Donald W. Jiles of Santa Rosa missed all other traffic on the busy highway.

Jiles halted the runaway by steering his tractor unit up an embankment at a construction project. The trailer had snapped free when it sideswiped the pickup.

Although the pickup and trailer plunged down a steep bank, the driver, Wiley Davis of Grass Valley, escaped injury.

DON SITES ENLISTS FOR NAVY SERVICE

Local navy recruiters from the Reno office report that Donald Harrison Sites, Jr., 20, son of Mr. and Mrs. Donald H. Sites, of Truckee, recently enlisted in the U. S. Navy and is undergoing recruit training at the U. S. Naval Training Center in San Diego. He enlisted for 4 years at the Reno recruiting station.

Sites, who graduated from Tahoe Truckee High School worked for Fredericks & Watson Construction Co. before enlisting in the navy.

After completing recruit training, Sites will be granted 14 days leave, before reporting to a permanent duty station.

JOEL McDERMOTT IS GIVEN PROMOTION

Joel McDermott, formerly with the U. S. Forest Service here, earned his sergeant stripes after 2½ years service with the Colusa County Sheriff's office. This is an honor for the young man and Sheriff Max Mayfield commended Joel for his outstanding work in crime detection and devotion to duty at the presentation ceremony.

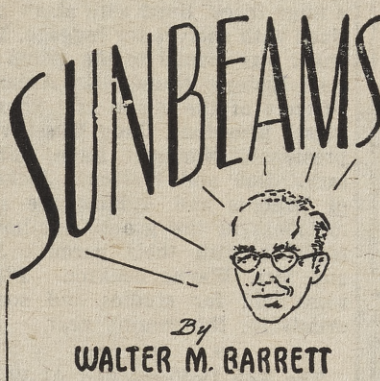

Joel's many friends in this area will be glad to hear of his promotion. This popular young man is the son of Mrs. Henry Toccalini of Truckee.

GREAT BOOKS CLUB MEETS OCTOBER 14

The Great Books Discussion Group turns to Icelandic literature for their October 14 assignment. Mr. and Mrs. Victor McLane will lead a discussion of the Song of the Volsungs and the Nibelungs beginning at 8 p. m. They will meet in the Tahoe-Truckee Community Center Library in the high school.

Observe Date—

Mr. and Mrs. William Fordham observed their wedding anniversary October 6.

Fire prevention week has been officially designated from October 4 to 10. This means that it is time to clean up, check heating equipment, wiring and other facilities where fires can start. Every

day in the United States there are about 1500 home fires, 31 deaths and the loss in 1958 was \$1,305,000,000 in approximately 2,000,000 fires. Fire prevention is your job so don't give fire a place to start.

The up and coming members of the Donner Lake Volunteer Fire Department and the Auxiliary this Sunday hope to complete work on their new fire station. They will do it, too, if a sufficient number of interested volunteers will turn out and lend a helping hand. The effort should not be confined to the Donner Lake area exclusively. Volunteers from all parts of the community are invited to pitch in and show how much can be accomplished through unity. It is a really worthwhile project and deserving of the help from everyone.

FATHER ROSWOG IS FETED AT PARTY

Friends gathered at the Catholic Parish Hall Saturday night to honor Father Paul Roswog, the popular priest who left yesterday for Sacramento to take up his duties as assistant pastor at St. Rose's Parish.

Mrs. Ed Kaler entertained with several numbers on the guitar followed by community singing. Father P. J. O'Neill sang two solos accompanied by Kaler.

The hit of the evening was a unique hat show depicting hats over 100 years old down through the years to the present styles. These hats belong to Milla Johnson who directed the showing. Models were Liz Carroll, Eve Hallett, Emma Spillner, Winnie Maynard, Rose Waters and Lola Toccalini.

The hall and tables were decorated in the autumn theme and refreshments of decorated cakes and coffee were served.

SQUAW MAY BE SITE FOR CONVENTION

L. L. Anderson, chairman of the Placer County Board of Supervisors, said he is confident the 1963 California county supervisors' convention will be held at Squaw Valley. He said support of the site was given at the convention held at San Jose last week.

The group, he said, did not favor Squaw Valley for the 1961 convention since it was not determined what condition the buildings would be after the Olympic Games.

NEW STATION OPEN AT SQUAW VALLEY

The new \$126,000 Associated station at the entrance to Squaw Valley was opened for business yesterday, according to Charles V. Osburn, local Associated distributor. The station will be operated by Jerry Breck of San Francisco. The structure, fitting into the scheme of other buildings in the area was built by Atkins and Fairbanks of Paradise.

RITEs ARE HELD FOR DAVID SCHNEIDER

Funeral services were held at the Truckee Colonial Mortuary during the weekend for David Schneider, 49, who died here Friday. Burial was in the Truckee cemetery. The deceased was a native of Chicago, born June 16, 1910. There are no known relatives.

Prexy Birth Date—

N. F. Dolley, civic leader and president of the Chamber of Commerce observed another 49th birth date, October 4.

Two Truckee Men Sent To Prisons Following Hearing

Atkinson, Kennedy Return To Face Sentences For Crimes

Two Truckee men were sentenced to state prison this week by Judge Vernon Stoll of the Nevada County Superior Court and a trial date was set for another.

Walter T. Atkinson, 35, and Jack Leroy Kennedy, 40, both of Truckee, pled guilty to felony charges in the Nevada County Superior Court on September 18. Atkinson admitted stealing a car in Truckee and Kennedy made a plea of guilty to a crime against nature.

Judge Stoll ruled that both men be sent to the Vacaville receiving station and serve their sentences as prescribed by law. On parole when he stole the car, Atkinson will also have to serve out his sentence from which he had been released on June 30 of this year.

Sportsmen To Hear Discussion On Deer

William Griffith, in charge of deer management with the department of fish and game at Sacramento, will be the speaker at Friday night's meeting of the Truckee Outdoor Sportsman at Capitol Hall at 7:30 p. m.

President Charles Osburn said the club is fortunate in having Griffith come and is asking for a large turnout of members and others interested in the subject.

Osburn said that there will be no buck stew this year, breaking a 12 year tradition, simply because of the stress of personal business by those who have in the past contributed and effort to the program.

VFW AUXILIARY AT LAKE HAS PROGRAM

CRYSTAL BAY—Fall meeting for the Ladies Auxiliary to the V. F. W. Post No. 7077, Lake Tahoe was held Thursday, September 24 at the Crystal Bay Club. President Sophie Levra, presiding.

Discussion was held outlining the club's activities for 1959-60. Members are busy at work making doll clothes for a 21-inch doll which will be given away in December. Mrs. Levra stated the doll will have 30 outfits and will be displayed in various stores in the Kings Beach area. Fourteen small dolls will also be outfitted for the girls at the Weimar T. B. Center for Christmas.

The annual V. F. W. and Auxiliary Dance will be held Saturday, Oct. 31 at the Crystal Bay Club, with plans and preparation already underway.

Mrs. Levra asked that all members be present at the special business meeting to be held Thursday, Oct. 8 at the Crystal Bay Club with order of business being—possible change of meeting night, membership projects to be worked on for the year.

BOB McLANE ATTENDS LAW SCHOOL AT BAY

TAHOE CITY—Mrs. Robert McLane wrote optimistically of their lives in the new community in the bay district, from her home at Albany, telling of McLane's studies at Hastings Law School and her position as a teacher.

The family hoped to have a flying visit to Lake Tahoe, having to delay a more leisurely time to summer, adding that they all miss their friends in this region.

NEW COUNTY PAPER TO PUBLISH SOON

District Attorney Harold Berliner, an official visitor in Truckee yesterday, announced that Nevada County soon is to have a new weekly newspaper — The Nevada County Citizen.

The new paper, a tabloid, generously illustrated, will be edited by Alfred Heller of Nevada City and will be printed in the plant of Berliner and McGinnis. The Citizen will make its debut next week.

HELICOPTER DOWN

The California Highway Patrol reported at noon today that a report from the store at Cisco said an army helicopter was down at the foot of Tunnel Mountain, a mile east of there. It was not immediately learned if anyone was injured. A patrol unit was dispatched to the scene.

Olympic Housing Rates Established By Tahoe Realtors

KINGS BEACH—Members of the Tahoe Sierra Board of Realtors have agreed on minimum standards and rates for homes to be rented to persons attending the Olympic Games in February in Squaw Valley, Placer County.

Dave Gaynor, president of the realtor group, said the standards and rates have been approved by Robert McMahon, housing director for the Olympic Organization Committee.

Under standards adopted by the Realtor organization a home should have one bathroom for every two bedrooms, some type of adequate automatic heating and adequate kitchen facilities. Linens, bedding, firewood and utilities should be included.

The house should be within 100 feet of a road which has snow removal service.

The rental rates suggested by the realtors include a charge of \$15 per person per night in bedrooms and \$7.50 per person per night for auxiliary accommodations, such as a divan in a living room. This is on the basis of one month minimum rental for a house in Squaw Valley.

For quarters outside the valley on a basis of a two week minimum period, the rates would be \$10 per person per night in bedrooms and \$5 per person per night on auxiliary accommodations.

"It is hoped the Tahoe area can assume the responsibility of a good host," said Dave Gaynor, president of the Tahoe Sierra Board of Realtors. "The basic purpose of the Olympic idea is to foster good will among nations. As realtors, let's do as much as we can to assist our guests in finding adequate accommodations at realistic rates."

Edmunds Again On State Water Board

Governor Edmund G. Brown this week announced the appointment of members of nine regional water pollution control boards as reconstituted under stronger new legislation approved by the 1959 legislature.

Among the appointees is Cecil Edmunds of Truckee, a member of Lahontan Region No. 6, who was reappointed after serving on the board for many years.

"These are appointments of major importance," the governor said. "These boards will play an essential role in assuring that water developed under the \$1,750,000,000 California water plan will not suffer from pollution. They can also help revitalize the present water pollution control program."

TWO ARE SENT TO JAIL AS DRUNKS

Two Truckee men were turned over to the Nevada County Jail to begin serving sentences imposed on them by Judge Fosten Wilson of the Truckee Judicial Court.

Ray Bernard Gunther, 41, of Truckee pled guilty to drunk driving charge and was given a choice of paying a \$525 fine or serving 100 days in jail. He is now serving time in lieu of his fine.

Also pleading guilty was Sanford Vinton Gunter, 54, of Truckee to a charge of being drunk in a public place. He was sentenced to 30 days in jail.

TOCCALINIS HOST AT FAREWELL RECEPTION

Mr. and Mrs. Henry Toccalini were hosts at a buffet dinner Monday night honoring Father Paul Roswog. Dinner was followed by a delightful evening of musical numbers enjoyed by Father Roswog, Mr. and Mrs. Charles Spillner, Liz Carroll, Milla Johnson, Eve Hallett and Mr. and Mrs. Toccalini.

Father Roswog is leaving this week for his new parish in Sacramento.

State Concerned On What Action To Take At Squaw

Legislation May Be Needed If State Takes Over Facilities

A special session of the legislature may become necessary to resolve problems facing the State of California for the operation of Squaw Valley following the 1960 Olympic Winter Games.

Officials are considering an offer from Alex Cushing to take over the operation but are finding legal difficulties to surmount.

It was recalled that when the state in 1957 agreed to put up additional funds to stage the Olympics, it was agreed to give up further rights of condemnation in the valley without prior legislative approval.

COST EXCESSIVE
This, in the opinion of some state officials, could tend to make the cost of the additional property prohibitive.

Park officials have made it clear they believe the best development would be an all inclusive program which would of necessity include the Cushing holdings. Yet, as of now, the state does not have the customary right of condemnation.

The stickler in the matter is the fact that operation of these valley as a state park to be feasible should include the use of the ski tows. These are either owned or leased by Cushing.

Earl Hanson, deputy chief of the state division of beaches and parks, said the 1957 legislature created a special case for the Squaw Valley development by removing the right to condemn additional property. The state park commission has this right in other areas of the state.

The legislation was introduced by Congressman Harold T. Johnson (D) of the second, valley-mountain district, who then was serving as a state senator representing Placer County where Squaw Valley is located.

WANTS PARK

The governor's office is interested in setting up the Olympic Games facilities, which were financed mostly by several million dollars of state money, as a state park which would not be a continuing drag on the state budget.

Several groups in addition to Cushing have expressed interest in operation of the valley but, in the view of the park officials, the Cushing holdings still would have to be purchased. This probably would mean a high price since Cushing has said he is not interested in selling.

PROGRAM PLANNED FOR P.T.A. MEETING

Major attractions at the October 12 meeting of the Truckee Elementary P. T. A. will be "The Rhythmites" and Miss Rene Hall's dance group. The Rhythmites are a singing group under the direction of Mike Leslie, fifth grade instructor.

A large turnout of parents and friends is expected at the meeting. Refreshments will be served by mothers of Miss Manley's first graders.

Mrs. Calvin Farley, president, is pleased to announce that the following persons have agreed to assist her on various committees for the 1959-60 PTA year: Mrs. Charles O'Beare, program chairman; Mrs. William Engelhart, Jr. and Mrs. George Wurst, program committee members; Mrs. Theodore Franklin, membership chairman; Mrs. Charles Vind, hospitality chairman; Mrs. William Scitutto, magazine chairman.

AREA COUNCIL WILL SELECT DIRECTORS

CRYSTAL BAY—Formal organization of the Lake Tahoe Area Council for 1960 will take place here October 16 with the election of 30 directors and other officers.

The all day meeting will be held in the Nevada Lodge. Raymond M. Smith, planning executive director, said this will be the first full council meeting under a recently adopted new plan of organization. He said, however, the council's board of directors and executive committee have been meeting regularly for the last six months.

BOARD MAY PROTEST TAKING OVER ROADS

It is apparent that the Nevada County Board of Supervisors will protest taking over sections of U. S. Highway 40 and State Route 89 following abandonment by the state unless certain provisions are met.

These conditions, as indicated at the board meeting last week include: 1.—if the roads are not in good condition and 2.—if they will not generally serve the public.

No action was taken during the meeting on the subject.

Steads Hunt—

Mr. and Mrs. Wayne Stead combined a vacation and hunting trip at Weber Lake vicinity and during their stay saw every variety of deer except the illusive buck.

State Highway Patrolman Ed Kynaston and his wife chaperoned some 22 high school seniors of the Auburn Pioneer Methodist Youth Fellowship at Jackson's Lodge, Tahoma, for a retreat planning session last weekend. The blithe youngsters made the trip in a huge truck, lined with straw and fixed with shelves for luggage. The truck was loaned to the group by Earl Easley's Nursery in Auburn. Officers of the group are: Sharon Mussel, president; Doug Mussel, vice president; Margaret Layn, secretary. Sue and Welcome Jackson of Tahoma and Auburn are also members of the group and hosts, together with their parents, Mr. and Mrs. Wayne Jackson. Plans were laid for studies and social events for the coming year.

The Bob DeVores and Al Watts of Tahoe Pines were busy packing to leave for Napa and Fallon, Nev., respectively to spend the winter.

Publicity Chairman Eunice Henrikson advises that the lucky winner of the afghan given by the Tahoe City Women's Club is Mrs. Fred Facciolla of Squaw Valley. An afternoon of bingo followed the Oct. 1 luncheon meeting. Next meeting is October 15 at the Tahoe City Community Center, a 12:30 luncheon, \$1.50 each. There'll be a white elephant table, proceeds to go toward the Penny Pine Plantation project. Remember, reservations must be made three days in advance through Mrs. Gertrude Wilt, JU 3-3293.

It's a month of important dates for the Hugh Jones family of Tahoma. Lovely little Karen celebrates her first birthday on October 17; mother Claudia's birthday is the 12th, and their wedding anniversary was the 1st.

Nothing like a surprise to make a birthday and wedding anniversary a real pleasure. On October 1, Mr. and Mrs. William F. Haste were surprised by their guests, Mr. and Mrs. A. J. McDowell of Compton, with a dinner at Sparks Nugget, complete with a yellow-rose birthday cake, and a happy birthday concert by the waiters and waitresses, with a finale salute for their anniversary.

Mrs. Sue Hall of Tahoma enjoyed a birthday on September 30 with extremely good luck at the South End.

Bill Stead and his repaired Maverick will race at Pyramid Lake in the Reno Regatta with 13 other entries, on October 10-11. Those who drive will have space in a parking area that accommodates nearly 10,000 cars. J. Philip Murphy of the Tahoe Yacht Club will enter his boat Breathless, driver Roger Murphy; and his boat Muva-long will have its initial 1959 start with Jay Murphy driving.

Sunday the Tahoe City-Truckee Lions and Rotary Club met on the Tahoe golf course, after a dinner

Saturday night at the Tahoe Inn to plan the tournament. Norman Mayfield was host for the Lions at the pre-meeting. We learned from club pro Angie Bonino that Tony Donadio was Tahoe City low man with a net score of 59; Martin Spitzzen had a net 61; Elden Tonini and Marshall Ruhkala chalked up a 62. Jean Henry won the club championship last week.

Mr. and Mrs. Richard Lee of Lincoln visited their daughter and son-in-law Mr. and Mrs. John Starratt and granddaughters, Sally and Anne, last weekend.

One of our friends was gathering bark in Antone Meadows last week and came upon a camera safari of two intent on bagging a bear with their camera lens.

Mrs. Matt Green is off on a round-the-world boat trip this month with her friend Nan Macy who used to teach the light fantastic at Tahoe Tavern.

Mr. and Mrs. Fred Kilner are planning a world trip by plane.

Mrs. Eleanor Swanson, "Swanee" to Tahoe folks and readers of the Sierra Sun was welcomed by friends when she made a one-day trip to the Lake last week with Jimmy and Betty Baker. Swanee has been staying in Reno and was on her way to Gridley for the winter. Marie Henry reports that Swanee looks and feels fine again. She sends greetings to all her friends she missed seeing.

Mr. and Mrs. Frank Reynolds and family spent the weekend at their Meeks Bay home.

Some hunt by design, others have it thrust upon them (rarely)—anyway, Dave Donaldson of the Tahoe City garage got his 150-lb. deer when he was interrupted by one while working on his house. He had to drop the task at hand, momentarily, to borrow a gun, and when he returned the forked horn was waiting for the rendezvous with the moment of truth. Easiest hunting we've heard of this season.

Checked with Al Henry and got the happy news that no fires had been reported last week.

Young Allen Steltzner of Tahoma jeaped by in Tahoe City reporting no luck at deer stalking. The senior Steltznors have been in Europe all summer.

Mr. and Mrs. Elwood Smith, Carmel Valley, are enjoying these Indian summer days at their Tahoe Pines home.

Stephen Brown of San Francisco was a guest of the Albert K. Millers at Sunnyside last week.

Before leaving on their plane trip east, Mr. and Mrs. Ralph R. Stanley of Tahoma entertained Master Sgt. Donald Reeves of Fort MacArthur, taking him around the lake and through Squaw Valley. They'll leave together for Los Angeles, where they'll meet Mrs. Stanley's sister, Major Erna E. Lee, who is arriving from Okinawa after some delay caused by the recent typhoons in the Orient. It will be hello and goodbye as the Stanleys then take off on their

vacation jaunt.

Mr. and Mrs. George Harlowe of the Bay Area are at their Tahoe Tavern Heights home entertaining guests from San Diego.

Formal organization of the Lake Tahoe Area Council for 1960 will be October 18 at the Nevada Room of the Nevada Lodge, Crystal Bay. Afternoon and evening sessions will be held. President B. E. Love says there will be election of 30 directors, executive committeemen and others to guide affairs during 1960. Privately supported, and nonprofit, the Council is dedicated to the orderly development of Lake Tahoe and enhancement of its natural resources. Membership is drawn throughout the lake's basin.

Bob Lynch, who runs the beach lunch stand at Meeks Bay in summer is the new caretaker there and will stay in this winter.

The 1959-60 Western Home Awards Jury of the American Institute of Architects-Sunset magazine for October granted an honor

award to the custom-designed cabin of Peter Klausen, and special awards to Joseph Whelan, George T. Rockrise, all of Squaw Valley.

Ray Gracner of Tahoma bagged his deer up Blackwood Creek on the first day of the season. Eddie Pringle of Meeks Bay Resort has two in the deep freeze.

Cal Wilkinson, manager of the Meeks Bay Theater, is working at the Lakeside Theater in Stateline. He and his wife, Phyllis, will be there about a month before gypsying off to Arizona and other points south and east.

From what we gather, the hunting Kehlets and others still at Meeks Bay were mightily torn between the World Series and the quest for deer.

Lee and Louise Koepel of Livermore visited Bob and Jackie Campbell of Tahoma last week. Lee clearing and filling in on the Kaiser estate when Henry J. Kaiser first started clearing for his Fleur du Lac at Tahoe Pines.

DONNER DOINGS

BY VIRGINIA O' BEAR

Mr. and Mrs. William T. Masterson are making their home at Donner Lake now after spending several years at Fort Lauderdale, Florida. Mrs. Masterson is a registered nurse working at the Tahoe Forest Hospital and Masterson is with the hospital staff also.

Dr. and Mrs. Douglas Brodie moved into the government tract this week. Dr. Brodie will be associated with Dr. Ben King and Dr.

Gardiner Pier.

A surprise baby shower was held at the home of Mrs. Richard Quist on September 29, for Mrs. Jack Melugin. Those present at the party were Mesdames Rex Reid, C. Z. Smith, Robert Pankoke, Hal Gilson, Ed Doolittle, Dan Horman, A. St. Claire, Richard Walker, Verne Davis, Jack Holgate, James Warnke, Charles Snow, Glen Garr, W. D. Maxey, Mrs. Arline Ross and Mrs. Eleanor Capel. Also present was the guest of honor, and the hostess for the evening, Mrs. Quist. After playing games and the opening of the gifts, sandwiches with potato salad was enjoyed by all, finishing the evening

with a beautifully decorated sheet cake to carry out the theme.

Mr. and Mrs. Barak Wright will be moving to Donner Lake as soon as they finish building their new home. They will be leaving Red Bluff where they have been making their home for several years. Wright is a contractor and will do contracting in this area. Wright had good luck this hunting season by getting a good sized buck, and so did his neighbor, Richard Quist.

Mr. and Mrs. Rufus Fields of Donner Lake celebrated their 40th wedding anniversary last week. Fields' mother was here from Kansas City, Mo. and Mr. and Mrs. Tim Sullivan from Noxon, Montana were here for the occasion. Also on hand for the celebration were Mr. and Mrs. Bill Davis and family, and Mrs. Amy Holliday from Boulder, Colorado. Mr. and Mrs. Sullivan like Donner Lake so well that they have entered two of their children in school here and plan to stay if Sullivan finds suitable work.

The motel, hotel and lodge owners postponed the meeting until October 11, 8 o'clock at Donner Lake Lodge this Sunday night. So many resort owners were out of

give your support by being there. Members of the Ladies Auxiliary will be on hand to serve sandwiches, coffee and refreshments to the workers.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will have their dinner and business meeting on October 15 at Donner Lake Lodge. The board meeting will be Monday night at the home of Mrs. Richard Walker, on October 12. Anyone wishing to attend a board meeting is welcome. We hope all members will attend Thursday night at 7:30 and bring a neighbor!

ERMA'S READY!!—The world's first completely automated banking system using magnetic character reading is now at work processing all the accounting for thousands of checking accounts of California customers of Bank of America. Two ERMA Centers, in Los Angeles and San Jose, are in operation with another installation in North Hollywood scheduled to go "on the air" this November. Before the end of 1961 there will be 13 ERMA Centers in California processing more than two million accounts for 460 of the bank's branches. Miss Diane Giretti (above) seated at the console, nerve center of ERMA, typifies the ease with which the electronic system handles 33,000 accounts an hour needing only 32 millionths of a second to perform each "step" of sorting, reading and computing all data from each check and deposit slip. If Diane could move that fast she could walk around the world in 23 1/2 minutes. Manufactured by General Electric Company, ERMA is the first completely automated operational banking system which reads directly from checks and deposit slips.

Many opportunities are passing your way these days. Conveniences you have never had before are now realities in your very day experience; because of the day and age in which we live. But, how about your spiritual life? Have these needs been met? The Word of God states, "What shall it profit a man if he gain the whole world and lose his own soul?" Taken from the text found in Luke 18:37 the message for next Lord's Day will be entitled: "Jesus of Nazareth Paseth By."

Sunday School: 9:30 a.m.
Morning Services: 11 a.m.
"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

God's healing and saving power will be brought out in readings from the Bible which include this verse from Isaiah (52:9): "Break forth into joy, sing together, ye waste places of Jerusalem: for the Lord hath comforted his people, he hath redeemed Jerusalem."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (248:29): "Let unselfishness, goodness, mercy, justice, health, holiness, love—the kingdom of heaven—reign within us, and sin, disease, and death will diminish until they finally disappear."
The Golden Text is from Psalms (67:1,2): "God be merciful unto us, and bless us; and cause His face to shine upon us; that they may be known upon earth, thy saving health among all nations."

DONNER SUMMIT NEWS

BY DONNA POWERS

SCHOOL BAND

The Donner Trail elementary school band under the leadership of James Price was this week fully organized. Price is very pleased with the progress of the band members and says most of the children have some real talent and feeling for music. The sixteen-piece band is composed of snare drummer, Brad Heckle; base drummer, Bill Strickland; tuba, Danny Anderson; saxophone, Bruce Loder, Tommy Gangler; trumpets, Mike McKenzie, Ken Alexander; French horn, Barry Cardwell; clarinet, Laureal Mason, Roberta Kisor, Marcia Sult, Sherman Williamson; piccolo, Bunny Board; flute, Barbara Lyddane; cymbals, Nancy Burchfield; triangle, Debby Zorich.

PAINT-UP

The Soda Springs Hotel is currently being painted on the exterior in preparation for the coming winter season. Bill Cannon is applying aqua paint to the entrance against a brown on the remainder of the front walls. The windows and doors are being trimmed in the same striking aqua. The Soda Springs Hotel recently underwent a change in ownership when Vince Lyddane sold his interest to now owner and manager Bill Cannon.

ON LEAVE

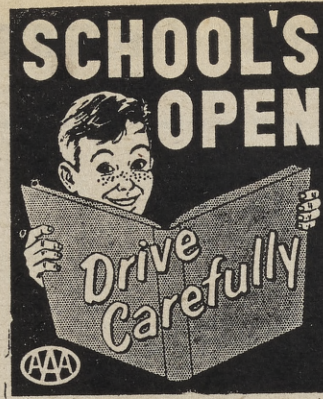

Home from his training at Fort Ord is Private First Class William "Bill" Burchfield, son of Mr. and Mrs. Otis Burchfield of Norden. Burchfield will be at home for approximately 13 days before he leaves to enter school where he will be trained in radio work.

David Daly had his fifth birthday party this week. Sharon Eckerman, Jamie Manetta and Dan Russell have brought records to share with the class. FIRST GRADE: Phillip Mitchell and Chris Churney have moved to Montana. We are sorry to see them go.

Marvin Conston and Debra Gorman had birthdays this week. SECOND AND THIRD: Tom Teel, Linda Baker and Alan Knapner left this week.

Best Spellers are: Robert Gorman, Melanie Anderson, Dottie Kirk, Claudia Rhoades, Sandra Ferdinand, Augie Acosta, Fred Stewart, Betty Ann Stacy, Larry Doyle, Sharon Conine, Kathy Barrett, Debby Jo Wurst, Carol Paskel, Ben King and Kathryn Campbell.

THIRD GRADE: Mary Lou Randall and Tammy Richards have both been "birthday girls" these past weeks.

Monte Neubauer is going hunting with his parents next week. We were sorry to have Mark Churney leave; his parents moved to Montana.

FOURTH GRADE: The pupils who are good in multiplication are: Mike Borden, Ken Brethauer, John Clark, David Curtis, Shirley Davis, Henry Frates, Bobby Goldsmith, Stan Greene, Thomas Holleman, Michael Larsen, Bonnie Mather, Richard Martin, Rod McCullen, Bill Rose, Linda Russell, Karel Lynn Sauby, Allison Spiller, Barry Waters, Fred Wilhelm, Jenny Wilhelm and Moise Jaurequi.

FOURTH AND FIFTH: Receiving "A" in spelling for the week were Cheri Comola, Gail Englehart, Rod Farley, Beverly Holleman, Cam Houlgate, Craig Mullis, Dennis Richards, Garce Lynn Stewart and Izella Witthack, Carol Brown, Daniel Funk, Russell Glenn, Billy Hobbs, Pam Horman, Jerry Householder and Judy Ingalls. In Arithmetic Gail Englehart, Beverly Holleman, Craig Mullis, and Sharon Petersen received "A" for their efforts in the fifth grade. In the fourth grade, Connie Davis, David Higgins, Jerry Householder and Judy Ingalls rated top grades in Arithmetic for the week.

FIFTH GRADE: The fifth grade football team pulled a major upset today by tying the seventh grade reserves 6 to 6.

The fifth grade held their early fall Art Show. First prize went to Jack Melugin with a fine landscape shot. Dick Purington and Bob Darren finished second and third respectively with wild life scenes.

SIXTH AND SEVENTH—In the sixth grade Debbie Blair, Don Stowe, Terry Stark, Virginia Laughlin, and Pam Harp are making a poster on the five senses. They are also making magnetic telegraph keys. Shadow of electro-

magnetism and multiplying yeast cells have been resounding from within the walls of Mr. Handy's sixth and seventh grades this past week.

KINGS BEACH SCHOOL

KINDERGARTEN: Morning Class—Our class has two new pupils, Rebecca Brown and Teresa Cotrone. The enrollment is now 29.

Afternoon Class: Our class now has 23 pupils. William Dakmak has moved to Louisiana. Jeffrey Bracy and Diane Tufts joined our class this past week.

Both classes have begun easel painting and clay work during activity period.

FIRST GRADE: Cyd Moore and June Hampton both had birthdays and are now six years old. In science we have been looking for signs of fall and bringing them to share with the class. We want to welcome the following children who are new to our school this year: Bob Durnerin, Cindy Lance, Danny Stewart, Eddie Mayzak, Gail Hayes, Ronny Dunham, Suzanne Bennett, Roda Roark.

SECOND GRADE: During language arts, we have finished our first set of compositions. The title of our story was "What I Would Like to be."

In science, we are studying about animals and their young.

Hazel Wainscoat has another baby sister, Patricia Ann. Hazel told us this makes fourteen children in her family—seven boys and

seven girls.

THIRD GRADE: The two top reading groups in our class are reading about the Southwest Indians and have made some very nice projects to fit the stories. We have a number of new students this year including: Elizabeth Adams, Michael Brown, Juan Cole, Karen Crowley, Thomas Hull, Thomas Lumpkin and John Raikes.

FOURTH GRADE: Our class numbers 37 busy girls and boys. Besides the usual required work as spelling, arithmetic and language we have had other interesting work. Many of the boys and girls made very fine social studies projects such as Indian villages, teepees, spears and arrows, and design work. Several boys: Steve Whittlesey, Joe Woods, and Jeff Mally brought weapons made with obsidian. Others were Bobby Brant, Joe Goodrich, Bobby Fugazi, Jeff Gruneman, Aaron Hibel, Randy Miller, Greg Pope, Rocky Riggs, Eddie Wall, Georgia Burris, Shari Decker, Ann Felte, Mary Ferrari, Jackie Hoffman, Lynn Horsun, Lesley Fausche, and Janice Wing.

FIFTH GRADE: We have 43 enrolled in our class. Nancy Barker, Kathleen Chastain, and Sandra Miller are making a bulletin board using pictures with Spanish names. These members of our class received 100 per cent in their final spelling for Unit 4: Nancy Barker, Gregory Beck, Kathleen Chastain, Susan Clackett, Evely Clinton,

Carol Corbin, Frank Gaswiant, Pamela Hane, Loni Hanson, Wendy Howell, Nancy Hutchison, Yvonne Hutchison, Vicki Jones, Kenneth Kammerer, John Korsun, Debbie Martin, Clint McKay, Sandra Miller, Katherine Rockholm, Monte Stewart, Christine Wainscoat, and Kathleen Wall. We are glad to have a new student, Henry Tufts in our class. Henry's father is the building contractor for the Kings Beach School.

SIXTH GRADE: Mr. Anderson's sixth grade class is studying Mexico. The people that are making bulletin boards are Dale Cane and Wayne Petty. The people who are getting "A's" in spelling are Joanne Ziegler, Beverly Bergman, Howard Price, Bruce Templeton, Phil Thompson and Sandra Nybloom.

In the sixth grade we have made up a club. The president is Howard Price, vice-president is Phil Thompson, and secretary is Mike Plevel.

TAHOE-LAKE SCHOOL

KINDERGARTEN: The thirty-four children of the kindergarten class and the teacher wish to express their appreciation for the new classroom.

The best drawing of the school bus for exhibition were: Joella Moe, Charlene Kehn, Susan Lewis, Donald Carlson, David Beckham, Beverly Freeland, Robby Easton and Laurie Stephen.

FIRST GRADE: Tahoe Lake first grade now has 35 students. This week our room helpers were: Tom-

my Coster, Ole Kehlet, Paul Corona, Michelle Legras, Lenell Topoll, Bill Moyer, John Geyer, Diane Conner, Lanny Karcher, David Thompson, Sherry Freeland, Bonnie Nyberg and Jennine Michener.

SECOND GRADE: Starting the year with 100 per cent in a twenty-five spelling test are the following students: Chuck Bacon, Mark Davis, Mindy Becholdt, Carl Larson, Patty Barngrave, Davi Timbrel, Marta Morris, and Christina Keehn.

SECOND AND THIRD: Thursday we were very sorry to have lost Jill Mullan who moved.

Those who received 100 per cent on their spelling this week were: Sands Hall, Jimmy White, Mark Revoid, Jimmy Collins, Garry Johnson, Kim Redley, Scott Broomhall, Ricky O'Neil, Mat Barrett, and Brent Bradley. In the third grade, Lina Grice, Gregory Hill, Shirley Stark, Denise Kimball and Billy Dutton.

THIRD GRADE: in their weekly class meeting the third graders elected the following people as class officers for the week of September 25 through October 2: Mark Sullivan, president; Greg Pyle, vice president; and Kathy Wertz as secretary.

FOURTH GRADE: The following children received "A's" in a 55 question social study test: Ernie Marier, Tom Easterly, Roxanne Anders, Dianne McBride, Brezzie Cross, Leah Howard, Alice Brandstrom, Mary Tabor Griswold, Ann Starratt, Denise Henrikson, Jim

Beyer and Janet Jorgensen. Anna Marie Connors and Ernie Marier were elected our P. E. captains for the month of October. We received a new student in our class. We are happy to welcome John Howden. Now we have 41 children in the fourth grade.

FIFTH GRADE: The fifth grade covered a full unit on trees and shrubs at this elevation. Notebooks were kept and collections made on a field trip into the forest.

SIXTH GRADE: In our 6th grade there are 42 students. We are studying Alaska and Hawaii.

SEVENTH GRADE: Each student has completed a notebook with summaries of the book, their own maps, and film reviews. Those who have made a better than average booklet are Nancy Bervid, Don Decker, Kent Fugazi, Bob Holley, Rickie Marks, Pamela Simpson, Michelle Stewart, and the best one of all—Estelle Howell.

Those who have earned "A's" in final spelling tests are Marlea Draney, Carol Franklin, Kent Fugazi, Bob Holley, Estelle Howell and Leta Laborde.

EIGHTH GRADE: Our officers for the semester term are: president, Janice Giannini; vice-president, Jerry Schmidt; treasurer, Bob Holly; secretary, Sandra Riggs.

Mont Diablo State Park, created in 1931, contains 2163 acres.

BE CAREFUL WITH FIRE

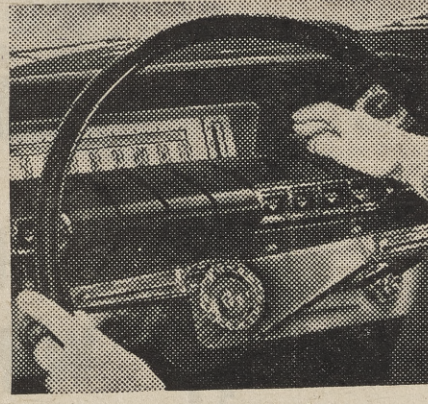

A car with major advances in transmission, suspension, brakes, and engines which are Buick's alone today
A solid, substantial car • A car of superb comfort, quiet, reliability • A car you should drive soon

New comfort, quietness, and quality

Doors that open wider—easier to get in and out. Family-size interior. Seats that are higher, more deeply cushioned, and repositioned to provide more room for feet and legs. Perhaps the quietest running car in America due to Buick's high use of insulation and torque-tube drive. Buick's quality control program comes to a peak in the Turbine Drive Buick '60.

New interior decor and convenience

An entirely new "Mirromagic" instrument panel. It lets the driver see speed, gas gauge, and other necessary readings at a glance in a mirror he tilts to suit his own eye level. And a new exclusive safety option—the Twilight Sentinel!—that turns headlights on automatically at sunset... off automatically at sunrise. All-new colors and fabrics. Richer appointments. *At slight extra cost.

Outstanding performance with economy

1. Buick's Exclusive Turbine Drive Transmission is jet-smooth, responds faster, more economically than ever. No gears ever shift while the car is in motion.
2. Buick's Exclusive Air-Flo Aluminum Drum Brakes—found on no other American car. Fin-cooled drums front and rear for faster cooling. Fast cooling means safer stopping, longer brake life.

Slotted wheels pass a current of air from under the car constantly over the brakes for added cooling efficiency. (Wheels are 15" size which gives you up to 1/3 more tire life.)

3. Buick's exclusive Wildcat Engines give high efficiency with high economy. (An optional new LeSabre Engine is designed to give Buick performance on regular grade fuel.) *Optional at extra cost on LeSabre, standard on Invicta and Electra.

WEATHER
Sunday and it's beautiful; this
must be Indian summer, the golf
course is better than its been all
summer.

BETTER
John Rayburn was under the
weather last week. Now, very
happy to know that he is OK again.

RESTAURANT
There is a possibility of the res-
taurant at the Monte Carlo Lodge
opening up for short periods again.
This is not positive yet.

AT GAME
Clayd Sipes, Red Waddell and
others attended the big ball game
last Sunday, when the Dodgers
won their second game.

GOLFER
Saw Mex Springer do a couple
of rounds of golf; too bad the
tournaments are over, he would
have been hard to beat.

HAD FLU
Gwen Robinson, the sweetheart
of the courthouse in Tahoe City,
had a touch of the flu last week-
end.

DAUGHTER BORN
Diane Keven has a baby girl
born October 1, weighing 6 pounds,
13 ounces. She named her Kacy
Shannon Keven. Proudest grand-
parents in town, I would say are
Red and Mary Lou Waddell.

VISITORS
Mrs. Fred Wofford and daughter
Julie paid a surprise visit to her
parents, the Jerome Littles last
weekend. Sharon and the class of
the Truckee High School, gave a
baby shower for Diane Keven. The
Woffords have traded their home
here for a beautiful home in
Fresno. Freddie has already got
his pilots license and is in busi-
ness with his father and brother
with the Wofford flying service.

TRIP
Nolan Little has taken his wife
down to Los Angeles to be with
her parents awaiting the birth of
their baby.

**BOND ELECTION FOR
LAKE IS SCHEDULED**

KINGS BEACH — A \$750,000 bond issue to rebuild and expand the North Tahoe Public Utility District is scheduled here for October 20.

Officials of the district say only such part of this issue will be sold as will be necessary to purchase and expand the capacity of the existing system owned by the Brockway Water Company or to build a new parallel system. Retirement of the bonds will be repaid out of water revenues.

Consulting engineer of the proposed project, L. Cedric Macabee of Palo Alto, Santa Clara County, said the existing water system is old and entirely inadequate to serve the community properly and to provide the fire protection needed.

**ADULT CLASSES MAY
BE FORMED IN SCHOOL**

A program of adult education is being planned by the staff of the Tahoe Truckee High School, if enough interest is shown by members of the district. This announcement was made by C. W. Sciutto, principal of the local school, this week, and it is hoped that various courses can be started in the near future.

The first step will be to canvass the many service clubs and community organizations in the area to determine the needs and interest of the adult population.

From this study, a list of courses to be offered will be established, along with times and places for registration. Each course must have 20 to 25 members in order to be established under the state adult education law.

A preliminary list of courses which can be offered by the local faculty follows: U. S. history, citizenship, creative writing, Spanish, French, psychology, sociology,

district, division of highways, will
retire November 1, after more
than 34 years with the state and
a lifetime of highway engineering
and construction in California and
Nevada. Lowden is well known
here where he frequently visited.

His initial tour of duty with
the division of highways began in
1916, and since that time he has
seen and taken part in the growth
of state highways in both Cali-
fornia and Nevada from the horse
and wagon era to the present free-
way systems.

Born in Weaverville, November
2, 1897, Lowden attended grade
school in French Gulch, Shasta
County, and was graduated from
Redding Union High School.

As a youth in 1916 he joined the
division of highways as a team-
ster and roadman at Dunsuir,
Siskiyou County. After spending
1918 in France with the U. S. Army,
Corps of Engineers, he returned to
the division of highways at Duns-
uir as a transitman.

As assistant district engineer in
charge of operations, Lowden has
been responsible to the district
engineer for the management and
functioning of the district con-
struction, maintenance and materi-
als department.

Oakland, 53.36 square miles in
area, is the second largest city in
the San Francisco Bay area, rank-
ing after Fremont.

WOLVERINES

Continued from Page 1

in the second quarter, Tahoe Truckee moved to a first down on the nine yard line, only to fumble on the next play at the four. Winnemucca was forced to punt from deep in their end zone and a high pass from center eluded Bill Berry, big Buckaroo end and kicker. The ball scooted out of the end zone and Truckee only trailed 7-2. Following the safety Winnemucca kicked off and the Wolverines came roaring back deep into Buckaroo territory. Time ran out on the locals however as they furiously battle the clock and wound up on the six inch line, desperately trying to get another play in when the half ended with the Buckaroos still leading 7-2.

The second half was to be entirely different however as the "not to be denied" Truckee gridders finally punched over the touchdown that put them in front 8-7 midway through the third period. Chuck Bergman got the all important six points on an off-tackle slant from the six yard line after Sam Medford on wide end sweeps and Bill Notley and Randy Schultz pounding up the middle, had put the ball in position for the score.

From a statistics standpoint the margin of victory could have been wider. The local Cardinal and White gridders rolled up two hundred seventy-one net yards rushing and added one hundred eighteen more through the air lanes, as Cinani hit for seven out of twelve and fifteen more passing, on one completion out of fifteen attempts. (Truckee intercepted two). First downs favored the Wolverines 15-3 in the all important conference clash that may go a long way toward deciding this year's Nevada State A. Champion. Coach Farley labeled the stunning victory strictly a "tremendous team effort" and declined to specifically laud any individual.

This Saturday at 11:30 a. m. the local junior varsity will entertain Reno and at 2 p. m. the varsity will take the field against a strong Davis, California team in the last non-conference clash of the season.

SALES TAX MONEY BENEFITS COUNTY

SACRAMENTO — (CNS) — Nevada county and its cities received a total of \$68,584 from the one-cent local sales and use taxes for transactions during the second quarter of 1959, the state board of equalization reported.

This compared with \$56,235 for the same period of 1958. Of the total, the county's share was \$43,605.

While the taxes were collected from retail purchasers during the April-May-June period, they actually were returned to the cities and counties in three installments.

Taxes collected for the 50 counties and 301 cities participating totaled \$52,963,997 for the quarter, with \$39,790,045 going to the cities and \$13,173,952 to the counties.

TNT TIDINGS

By SHERRY THATCHER

The Tahoe-Truckee High School Choir will participate in the annual high school chorus festival at the University of California on November 14, 1959.

The festival will be presented as a choral clinic with music being sung at sight.

The members of the choir are: First sopranos: Jan Ambler, Nancy Ambler, Shirnell Hansen, Renee Hall, Wilma Henslev, Joan Nickelson, Sue Miller, Linda English and Virginia Peters. Second sopranos: Betty Howden, Cheryl Wheeler, Sandra Shaw, Ellen Hubbard, Karen Grahn, Linda Decker, Tina Grundeman and Joann Pomin. Altos: Diana Gill, Peggy Hubbard, Joanna Johnson, Geraldine Norton, Judy Bacon, Judy Schmidt, Kathy Sinclair, Beverly Petty, Kaytie Corbin, Linda Morrell, Judy Giovanoni, Linda Draney, Sharon Brown, Carol Hampton and Barbara Kamerer. Tenors: Larry Gilman, Ed Hampton, Randy Schultz, Bill Connors and Brian Calhoun. Bass: Butch Speck, Don Douglas, Ron Peters, Rod Derting, Chuck Bergman, Bill Notley, John Zanotti, Leroy Ryser, Gary Snyder, Roland "Tues" Hill, Pete Schmidt and Dean Barr. Marilyn Plevel is accompanist.

The choir will be taken on the trip by the instructor, Mr. Ross Price.

This year, as in the past, Tahoe Truckee has a Junior Varsity Football team. These boys, primarily freshmen and sophomores, are the basis for future varsity teams. They practice faithfully, and in games really get out and fight.

Saturday, October 4, was their first home game. They do their best, and are good representatives of the school. Thus far, however, there have not been many rooters behind the J. V.'s. If you can possibly get away, come on out and support these boys. They can use as much support as you can give them.

The Tahoe-Truckee High School Band has been invited to the East-West football game to be held at Kezar Stadium, in San Francisco, January 2, 1960. They will perform with several top high school bands from California.

This invitation was made possible through the efforts of the El-Tahoe Shrine Club of the Crystal Bay area, and the Kerak Shrine Temple, in Reno, Nevada.

Andy Baumgardner, the new J. V. basketball coach, held a try-out meeting for the 1960 squad. About 30 boys turned out, and he will pick 12 or 14 of these for the team. The prospects for the season look good, according to Baumgardner.

Mr. Ed Grant, of the U. S. Forest Service, has invited the Cadets to visit Stead AFB to take part in the USAF survival program for one day later in the semester. Cadet instructor, Virgil Mullis, has accepted the invitation, and the cadets are looking forward to the trip.

SQUAW VALLEY—As the opening date of Feb. 18, 1960 for the VIII Olympic Winter Games approaches, the organizing committee is calling upon the Placer County Civic Olympic Committee more and more for support.

Since the organizing committee depends upon the Placer County Civic Committee, a volunteer group, for so much help, 13 new members have been added to the committee. Prentis C. Hale, president of the organizing committee announced the appointments today.

After making the announcement, Hale said, "Chairman Roy Mikkelsen and his committee have given the organizing committee tremendous support in the past. The Placer County Civic Olympic Committee will be handling many Olympic programs as the games draw closer, and we know we can count on this group's continued cooperation."

CHAMBER WILL HOLD
IMPORTANT SESSION

Plans for decorating the community for the forthcoming Olympic Winter Games and a discussion on directional signs off the new freeway will be two of the subjects to be taken up at the next meeting of the Truckee Donner Chamber of Commerce to be held next Wednesday at noon at Smart's.

N. F. Dolley, chamber president, said he would appreciate a large turnout since the topics to be discussed are of vital importance to the area.

CUSHING AGREES TO
INSTALL PURIFIER

Charges against Alex Cushing of Squaw Valley filed by the Placer County district attorney's office accusing the resort owner of furnishing unsafe water, were dropped when Cushing advised authorities he was having a purifying system installed before November 15. The chlorination, however, will not be used by Cushing's household.

The controversial land owner said that hundreds of thousands of visitors had used the mountain water from the stream without ill effects and that the chlorination would destroy the pleasant taste.

CAPITAL GROUP BUYS
LAKE FOREST LAND

LAKE FOREST — Lake Forest property at Lake Tahoe was purchased for over \$200,000 by a group of Sacramentoans headed by E. A. Nicolaus, Jr.

Once known as the Barton Ranch, an original settlement at the Lake, the property consists of about 53 acres between Tahoe City and Dollar Point.

Asa Clark, Sacramento Coldwell, Banker Co. representative, handled transactions between the purchasers and sellers, Charles Beardsley & Associates of Tahoe City.

DENTIST IS CHOSEN
AS TAX APPRAISER

SACRAMENTO—(CNS) — Alan Cranston, state controller, today announced appointment of Dr. Walter J. Hawkins, Nevada City dentist, as a state inheritance tax appraiser for Nevada County.

Dr. Hawkins, 65, replaces Clarence B. Greenfell, Grass Valley, on the Nevada appraiser roster. Greenfell resigned.

CARD OF THANKS

We wish to express our sincere thanks to those who were so helpful during the fire at our mill last week and to those who expressed regrets. We want to especially thank Tom Dolley who responded to the call for assistance.

MAJOR DETOUR WILL
BE OPENED ON US 40

A major detour from U. S. Highway 40 beginning at Monte Vista, about 10.5 miles east of Colfax, will go into effect late this afternoon or early Saturday. The 2.6-mile detour will extend east from Monte Vista to the junction of Alta Road and U. S. 40 where traffic will resume use of the highway.

The detour is winding with several sharp curves and motorists are urged to exercise careful driving. It will be posted for advisory speeds.

The announcement came from the Marysville district office of the state division of highways.

The detour will remain in effect until winter weather forces suspension of construction of the new \$4,740,000 five-mile freeway section recently started between Monte Vista and Baxter.

After construction is suspended, this section of the present U. S. 40 will be reopened and used during the winter months. About April 1, 1960, when the construction season normally begins, the detour will be reopened and traffic again routed off the highway.

The detour will permit uninterrupted heavy rock excavation and tree removal without hazard to motorists as well as providing a two-lane roadway to avoid delays to traffic using this transcontinental route.

The Monte Vista-Alta road detour was constructed in 1957 in anticipation of the present freeway project and follows an existing county road which was the state highway prior to 1933. The freeway section is expected to be completed in the summer of 1961.

FORMER RESIDENT OF
TAHOE DIES AT CHICO

Funeral services were held this week at Chico for Harry Howitt McArthur, 80, a former resident of Lake Tahoe. For 37 years McArthur was caretaker of a summer resort before he retired and moved to Auburn in 1951.

He is survived by his wife and two daughters, Mrs. Ruth Herbert of Chico and Mrs. Ellen Graber of North Highlands. There are six grandchildren.

AS TIME IS CHANGED

Return to standard time is adding an additional hazard for motorists driving home from work, Sergeant F. H. Snyder, officer in charge of the Truckee substation of the California Highway Patrol noted today.

"All during the summer, the family breadwinner generally had broad daylight in which to combat homeward bound traffic," Snyder

said. "But with the change from daylight saving time to standard time, dusk is beginning to fall as most workers leave for home."

"Dusk is a dangerous driving period, as every experienced driver knows, but sometimes motorists fail to adjust to the decreasing light. The result, much too often, is a late arrival for dinner—if the motorist is lucky enough to get home at all."
